

Teamwork ECO

Probiotic Washroom Cleaner

Information & User Guidance

Environmentally Friendly Cleaning Products

Uses

Teamwork ECO Probiotic Washroom Cleaner has been especially formulated to clean and maintain odour free washrooms, this product will eradicate organic soiling and odour problems from all washroom surfaces including walls, floors, tiles, grout, basins, urinals etc.

Environmentally Friendly Cleaning Products

How to Use

For an odour free washroom spray or mop onto the contaminated surfaces, leave to work for a few minutes then wipe away any excess product. Do not rinse, allow to dry slowly. Repeat regularly until odours have been eradicated. For extra busy and problematic washrooms pour a little directly into urinal and sink outlets to during quiet periods and this will eliminate scale, odours and blockages.

Environmentally Friendly Cleaning Products
