

Teamwork ECO

Daily Toilet Cleaner

Information & User Guidance

Environmentally Friendly Cleaning Products

Uses

Teamwork ECO Daily Toilet Cleaner is a powerful daily toilet and washroom cleaner with a very pleasant long-lasting fragrance, contains citric acid to minimise its environmental impact, while still remaining effective as a descaler ideal for use on toilets and urinals. Suitable for use on stainless steel and porcelain.

Environmentally Friendly Cleaning Products

How to Use

Toilets & Urinals: Apply undiluted to the urinal, toilet bowl and under the rim. Leave for a few minutes and rinse with clean water. Stubborn stains may need agitation with a brush. **Sinks, Baths & Tiles:** Apply undiluted. Wipe with a damp cloth and rinse with clean water.

Environmentally Friendly Cleaning Products
