Information & User Guidance

Environmentally Friendly Cleaning Products

Uses

Teamwork ECO Lemon Washing Up Liquid is a detergent concentrate with additional cleaning power that produces a long-lasting foam to combat greasy dishwashing problems.

The advanced blend of cleaning agents and lemon oils ensures mildness and freshness in use, leaving glassware and crockery sparkling and smear free.

Environmentally Friendly Cleaning Products

How to Use

Dilute one part Teamwork ECO Lemon Washing Up Liquid to 750 parts warm water in a washing up bowl. Add items to be washed and allow a few moments to soak. Clean items using a sponge, brush or pad.

Environmentally Friendly Cleaning Products
