BAMBOO ROLL TOWEL

Equivalent to £7.98 per case of 3,000 C-Fold Hand Towels!

With a case of 3,000 C-fold hand towels drying an average of 375 pairs of hands, one case of the FIG Bamboo roll towel dries an average of 2,349 pairs of hands AND you're getting Bamboo!

1. Anti-bacterial protection impregnated into the whole front cover.

2. Seamless 'easy-clean' front cover with no join for dirt or bacteria to get in.

3. Reduced usage compared to folded hand towels as each sheet needs to be pulled out with two hands so you can only take one sheet at a time.

4. Bamboo roll towel has natural anti-bacterial properties and is a great sustainable solution
