- Easy to Wipe Clean

Cost

- FREE Dispensers
- Zero Waste
- Prevents Over Use
- SAVING YOU MONEY!

Maintenance

- High Capacity
- Lockable & Made From ABS

The UK government recommend clear hand hygiene signage in 'Working Safely During Coronavirus' guidelines.

The NHS website & the World Health Organisation recommend people to dry their hands with single use paper towels, as most hygienic way.

The Orbit

- Holds 4 rolls - up to 5,000 sheets
- Complete usage system
- Continuous availability

Folded Towel

- Robust, one sheet dispensing
- Compact design
- Users only touch the paper they will use, preventing germ spread

Soap

- New nozzle with every carton minimises germ harbouring
- Anti Bac & Sanitiser options
- Anti drip technology

Eco friendly paper & soap options, dispensers available in black, white & blue
