

WashTab

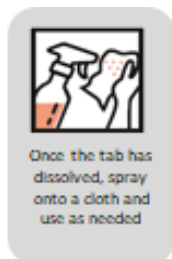

Disinfecting Washroom Cleaner

Lightly descales and dries quickly – Tested to EN13697

Uses

The Q-Eco WashTab is a disinfecting washroom cleaner that lightly descales. A non-chlorine disinfectant that is an effective decontaminant that works in all areas and against bacteria. Suitable for all washroom surfaces and tested to EN13697 in dirty conditions. Leaves surfaces bright, smear free and smelling fresh.

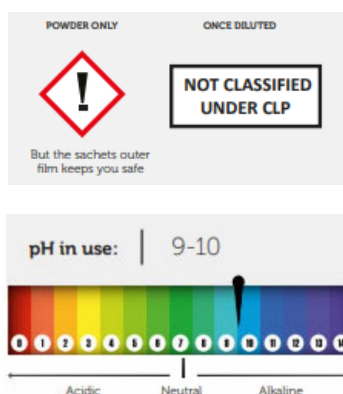

Directions

When diluted, Q-Eco WashTab is classified as not hazardous. When not diluted, the powder is wrapped in a water-soluble film to protect the user from coming into contact with the powder.

Store the tabs in a dry area and keep them inside the packet until you need them. Only handle tabs with dry hands. If any tabs are damaged only handle them wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

Fully recyclable packaging, NO waste.
