Wet Look Floor Polish

## Information & User Guidance

### Uses

Teamwork 10 floor polish is a high quality ultra-high solids metalized floor polish, which dries to a deep gloss and burnishes to an outstanding wet look finish.

Teamwork 10 is suitable for use on non-porous floors, including vinyl, thermoplastic, linoleum, rubber, sealed wood, marble and terrazzo.

### How to Use

To obtain best results, it is important to thoroughly clean and prepare the floor before applying the polish. For best result apply thin coats, two thin coats of polish will look better than one thick coat.

Always read the label and product information before use.

Please ask the customer care team for the corresponding wall charts, Safety Data Sheets and COSHH risk assessment guidance notes relating to this product.
