

# Teamwork 9

## Rinse Free Floor Polish Stripper

### Information & User Guidance

#### Uses

Teamwork 9 is a clear water-based stripper for removing metalized and non-metallised floor polishes.

The modern, caustic free formula reduces the risk of ongoing polish problems and the rinse free formulation reduces preparation time.

#### How to Use

Always test the surface for compatibility before use.

Dilute Teamwork 9 with water according the required usage and apply the to the floor with a mop or trigger spray. Allow 5 – 10 minutes contact time, then scrub the floor thoroughly with a scrubbing machine fitted with an abrasive floor pad.

This solution should then be removed from the floor by either mopping or by using a wet pick up machine.

Always read the label and product information before use.

Product Code: TW9-5

Please ask the customer care team for the corresponding wall charts, Safety Data Sheets and COSHH risk assessment guidance notes relating to this product.
